 5. Δ

$$\leq \frac{1}{2} \int_{\mathbb{R}^d} \left| \frac{\partial}{\partial x_i} \left(\frac{1}{\rho} \frac{\partial \rho}{\partial x_i} \right) \right| \rho \, dx$$

A complex drawing of a musical score. It features various musical symbols such as clefs, notes, rests, and accidentals. The score is written on a series of staves. At the bottom of the drawing, the date "21.11.2016" and the number "261" are visible, along with a small symbol that looks like a male symbol (♂).
